

MINOR HOME OCCUPATION APPLICATION PACKET

Home occupations which are located in the unincorporated area and outside of Sioux Falls Joint Jurisdictional Area are divided into ‘major’ and ‘minor’ categories. A minor home occupation may be allowed as an accessory use within a residence in any zoning district where residential dwellings are allowed. A minor home occupation requires a zoning permit from Minnehaha County. The definition of minor home occupation is a business, profession, occupation, or trade conducted for gain or support and located entirely within a dwelling, which use is accessory, incidental, and secondary to the use of the dwelling for residential purposes and does not change the essential residential character or appearance of such dwelling.

APPLICATION REQUIREMENTS

A minor home occupation must comply with 15 standards which include:

- The occupation shall be conducted entirely within a dwelling.
- There shall be no change in the outside appearance of the dwelling.
- Only residents of the dwelling shall be employed by or participate in the occupation.
- The storage of equipment, vehicles, or supplies associated with the occupation shall not occur outside the dwelling or within accessory buildings.
- There shall be no display of products visible from outside the dwelling.
- No advertising or display signs shall be permitted other than the allowable nameplate.
- The occupation shall not require internal alterations or involve construction features not customary in a dwelling.

- There shall be only limited and incidental sale of products conducted on the premise.
 - The occupation shall not generate more than four (4) visits per day from clients or customers averaged over a period of seven (7) consecutive days.
 - The occupation shall not result in additional off-street parking spaces for clients or customers.
 - Toxic, explosive, flammable, combustible, corrosive, radioactive or other restricted materials are prohibited.
 - No noise, vibration, glare, fumes, or odor detectable to the normal senses off the property.
 - No visual or audible electrical interference in any radio or television receiver or causes fluctuations in line voltage off the property.
 - The number of deliveries generated by the occupation shall not significantly affect the character of the area. Delivery vehicles shall be limited to auto, pick up, or typical delivery service truck.
 - The structure shall meet the standards of the adopted building code.
- A Zoning Permit must be received by the Planning & Zoning Department to ensure that requirements are met.
